

How would you like to have the first 6 single-family homes in your neighborhood purchased by an aggressive developer, bulldozed, annexed by the City of Marietta and sold off for “Stack-A-Shack” high-density housing?
If you live in East Cobb, this can happen to you!

We are organizing to show our opposition to this type of redevelopment along the major corridors in East Cobb and we **NEED YOUR SUPPORT!** To stop the takeover and redevelopment.

**July 10, 2019 at Marietta City Hall
 205 Lawrence Street
 6:45 PM in the Lobby**

Voice your support for EAST COBB by attending this meeting where the Marietta City Council will determine whether residential lots in Sewell Manor Subdivision (Lower Roswell Rd. & Hwy. 120 Loop) will be **ANNEXED WITHOUT REPRESENTATION** into the City of Marietta.

WEAR YELLOW! Yellow T-Shirts, Yellow Hats, Yellow ties or a Yellow Ribbon in your hair! We need every resident of East Cobb and Marietta to show up and help us stop this invasion into East Cobb.
